

ALFA FLEXI

Compact vertical multilane stick-pack machines

-  POWDERS
-  GRANULES
-  PASTES
-  LIQUIDS
-  TABLETS

since 1965

 MADE IN ITALY

ALFA FLEXI: The Ultimate Stick-Pack Machine

Alfa Flexi is the revolution of the stick-pack machine as we know it: perfect for customers who need a versatile and highly efficient machine, it's been designed following

STICK	MIN	MAX
Width [mm]	16	90
Length [mm]	40	230
Dose [cm ³]	0,1	200

PRODUCTIVITY

Output (sticks/min) up to 900
Lanes from 1 to 10

WCM

A World Class Machine that raises the bar of the packaging industry. Robust, precise, user friendly, flexible, accessible.

ALL-IN-ONE

It can make any stick-pack format the customer has in mind: from powders to liquids, from the smallest doses to the bigger ones, including pillow packs.

FLEXIBILITY

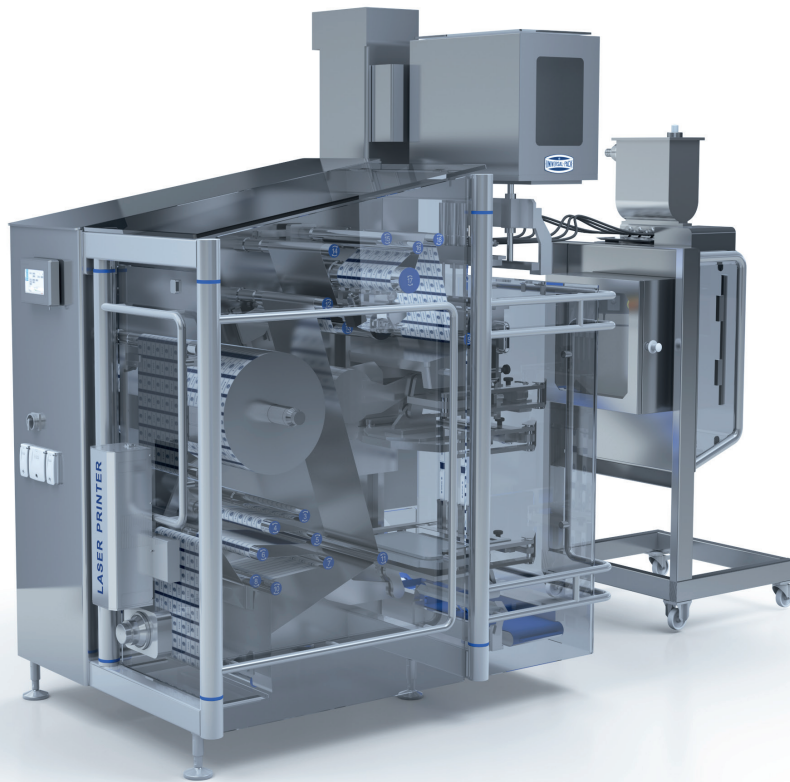

It has been designed and built combining different modules. This concept enhances its versatility and allows a quick and easy format change.

ERGONOMIC

It combines the smallest footprint with the highest possible ergonomicity and accessibility: we always keep the operator in mind.

Developing the latest packaging technology since 1965

the TPM requirements and built for max flexibility, fast changeover in a compact footprint. Alfa Flexi is how Universal Pack changes the rules of game once again.

REEL

Max width [mm]	400
External [mm]	450
Core Ø [mm]	76/150

FOOTPRINT

Width [mm]	1600
Length [mm]	2200

HYGIENE

It is designed following pharmaceutical industry highest hygienic design standards in compliance with Hygienic Design regulations.

INDUSTRY 4.0

It is ready to be installed in a 4.0 environment. It's provided with wi-fi and RJ 45 port to communicate with a supervisor allowing remote diagnosing.

MAINTENANCE

It is a robust machine very easy to maintain (TPM) that is built to run 24/7 with a minimal number of consumable spare parts.

ENERGY

It has been designed to run with low energy and it is also possible to control the electrical and pneumatic consumption from the HMI.

Consolidated experience in high-quality machinery
